

## BIRTHDAY PRAYER

“Every new day is a symbol of hope. Every new flower is a symbol of beauty. Every new child is a symbol of God’s immense love towards us.” As we celebrate the gift of ..... today we in a special way thank God for the person that she is to each one of us.

You will be a crown of splendour in the Lord’s hand, a royal diadem in the hand of your God” (Isaiah 62:3)

God says, “You are precious and honoured in my sight” (Isaiah 43:4). You should thank and praise Him, as He has made you a crown. The Bible affirms in Psalm 139:14, “you have been created fearfully and wonderfully by God” as the crown on the head of a king.

On countless occasions, you must have felt discouraged. But from now on, there’s reason for you to rejoice and feel elated because God has promised that you will become a crown of splendour and a royal diadem in the hand of the Lord. He will honour you and crown you, for the Lord delights in you. God graciously creates, sustains and cares for life at every stage.

Today I woke up and realized I have been blessed with another year on earth, and with a grateful heart I say thank you Heavenly Father. Lord I have come to bless you for making it possible for me to see another birthday. Words alone are not enough to express how happy I am to be celebrating another year of life today. With outstretched arms and songs of praise, I have come to bless you for adding another year to my life. Lord, I am here before you today and on this special day, I thank You for Your remarkable blessings in my life for which I owe you much.
