

## Prayer for Teachers

1

Heavenly Father, we bring before You all the teachers throughout this land of ours, and pray that You would guard and guide them in the vital responsibility of educating a new generation of children and young people. We pray that each one would be filled with the Holy Spirit and have a deep desire and ability to guide the children in their charge. Grant our teachers an abundance of your wisdom. Help them to be a good role model, but most of all Lord help them to show your love to all students. May Teachers mission be, to empower students to use their faith to excel in and out of the classroom.

Enable teachers to teach with WISDOM, for they help to shape the MIND.

Equip teachers to teach with TRUTH, for they help to shape the CONSCIENCE.

Encourage teachers to teach with VISION, for they help to shape the FUTURE.

Empower teachers to teach with LOVE, for they help to shape the WORLD. Amen.

O God our greatest teacher, giver of all wisdom and knowledge, you have blessed each person with different gifts and appointed some as apostles, others prophets, others evangelist, others teachers (Eph 4:11). Today we pray for all teachers all over the world.

Grant them openness to see and appreciate the unique gifts of their students. Fill them with courage to challenge them to become an integrated person and wisdom to guide them to attain the purpose for which they are created.

Cloth each teacher with strength and divine power, so that they are committed in their calling to prepare the future generation. Help them to speak with wisdom, act with justice, demonstrates kindness and a blessing to each student who are entrusted to their care. Amen

Lord you have made everyone a teacher by birth. Teacher is a person who can train the mind of the children and people. A teacher can give directions and knowledge. Teacher is a second mother. Because our parents are the first and the best teachers. Their love, care, sacrifice, teaching, protection is the source of every child's growth. So also, teachers. With a grateful heart we thank you Lord for giving us such a wonderful persons, wisdom and knowledge to train us. They bring us Your light of wisdom to remove the darkness of ignorance. I ask you Lord to give them strength of body and mind, so that they may give themselves in your service. May their loving and caring attitude help children and people to accept them and love them for what they are. Then only their efforts and sacrifices will bear fruits.

A teacher not only trains the mind but also molds the physical, psychological and spiritual realms of the person. That is to make a person whole. Wholeness of a person is in the hands of the teachers. Lord you have given great capacity to all the teachers. So, they are responsible to use them well and generously in your service. Lord God Almighty, be with all the teachers whether they are parents or classroom teachers or religious teachers so that they may never forget that whatsoever they have is from the Lord.

Make them humble when they fail. Help them to realize their weakness and come back to the merciful God and be happy for ever. Lord we thank you for providing us with good teachers so that all of us can become such wonderful teachers in your service. Make us generous in giving to others what we have, our love, care, knowledge, kindness, help by our words and deeds, education, directions. Lord bless us together with our teachers so we may serve you better in our lives. Amen.
