

## Prayer for the Sick and suffering

1

Jesus, we believe in your love and we place our trust in you. You are the Divine healer. Heal and empower our brothers and sisters and all those who go through mental suffering, physical pain, illness and diseases. Jesus, we ask you to fill them with your healing power of

love, so that they may experience that your grace is sufficient for them, watch over their health and their well-being. Lord help them to accept the illness positively and to be patient in times of pain and suffering. Jesus bless them with your Holy Spirit, strengthen every bone of their body and mend what is broken. Remove all the blocks from the body, smoothen their veins and rebuild the damaged areas. Jesus touch and heal every fiber of their being, and let your life-giving power flow into every cell of their body, cleansing, purifying and restoring. Wash away all their sickness with your precious blood and make them whole again. Lord we trust you with our whole heart do not allow any negative thoughts, distractions, or circumstances to hold on but rather help them to find their comfort and strength in you alone. Jesus bless all the people to overcome the suffering and pain, and bring them closer to you that they may experience the fullness of new life.

Loving God, you are our creator, the source of all life, health and happiness. You are love and compassion. Healing is your gift to us. You save and heal us. Father, it is not your will that we suffer sickness and pain, but to heal all the sickness. Out of your unconditional love for us, you sent your beloved Son Jesus Christ into the world who bore our sins and sickness on the cross to unite us with you and have given us life in abundance. Loving Father, we thank and praise you for Jesus who is your healing presence among us. We pray you Lord, grant us the grace to live in communion with you and experience your healing energy flowing into us, permeating each cell of our body and heal us. Help us to be always grateful for your love and mercy.

This we pray through Jesus Christ our Lord. Amen.

Abba Father, You chose Padre Pio of Pietrelcina a capuchin priest to partake in the passion of your son Jesus. You let him glorify your holy name by his endurance through the furnace of humiliation. As your Word says, “Gold is tested in the fire so is acceptable men in the furnace of humiliation” Sirach 2:5. His joyful surrender to Your ‘Will’ and passion for mission by being deeply rooted in You, teaches an example of being a true missionary. Through His intercession .....may we have the grace to know and understand life with its upheavals thus we too may glorify your holy name.

O heavenly Physician, we pray for the sick. We bring them at your feet fully trusting that you have already taken these upon yourself and finished upon the cross. May we believe in this power so that the sick may experience the marvelous healing within them. Awaken in them and in us the awareness of your healing. Give us the faith to believe and trust in this transforming power of the cross which you have willingly taken upon yourself out of love for us. We need to grow in the awareness of this power and wonder. Lord, we know that we are weak. We continually call upon you in complete surrender.

I will heal my people and will let them enjoy abundant peace and security.” (Jer-33:6)

Dear Jesus, Divine physician and healer of the sick, I turn to you in this time of illness. Oh, dearest comforter of the troubled, alleviate my worries and sorrow with your gentle love, and grant me the strength to accept this burden. God, you know me so well. You know the number of hairs on my head, and you even know the thoughts conceived in my heart before I ever vocalize them. You are Jehovah-Rapha, the God who heals, and you have the final word on my destiny, the number of years I’ll live and serve you on earth.

I beg you Jesus as your child, longing to hear from you and asking for your divine healing of the sick. There’s so much I don’t understand about life. But I do know that with one touch, one word, you can make me whole. Please forgive me of my sins, cleanse me of my unrighteousness, and begin your healing. I absolutely believe, you have the power to heal. You demonstrated on earth, and you still heal in miraculous ways today. Even my faith is weak, you say it is enough, and my love for you is strong. If you use doctors and nurses to provide healing, give them wisdom to know what to do.

Lord, if you have planned still more for me to do here on earth, I not only need and desire your physical healing, Lord but a through, deep-down cleansing and strengthening, a whole-hearted renewal of my faith to a “no matter-what” faith. And no matter what, I choose to honor you and give you glory. In Jesus name Amen.

**Healing the sick**

Visiting the sick is our duty which the Lord has entrusted to us. Lord you are the strength and life of every human. Grant that we may always be mindful of your teaching "whatsoever you do to the least of my brothers and sisters, you do unto Me." So now we pray for the sick, who suffer pain and sorrow. You know what is it to suffer. Lord let the water and blood from your side wash the sick and heal them. Let the healing grace of Jesus flow into all the sick person's life. Heavenly Father, let the cleansing healing waters of Baptism flow back to purify them. Lord, I thank and praise you for your great mercy. Lord Jesus, we bring before you, people who have sickness in the head, heart, eyes, mouth, ears, senses, muscles, tissues, lungs and all the sick people and ask for your healing for you have shed your blood for us. Isaiah says that Jesus is led like a lamb to take away our infirmities. “Surely he took up our infirmities and carried our sorrows.”(Is.53:4) Peter’s shadow and Paul’s handkerchief were enough for people to be healed. LORD we come to you with great trust, pour out on all the sick this power of Your Spirit, to heal us, to use us for your glory. Amen.
