

“Prayer is the key to God’s treasure house.”

Prayer through the intercession of Blessed Josepha.

1

Jesus, the sustainer of Life, you are the good Shepherd leading us to covenant with your Father. You refresh us to continue the journey of life by filling us with the life giving water of encouragement and grace.

O savior of us all, you chose Blessed Josepha to be the Co-Foundress of our congregation. Through her intercession inflame our hearts with a burning love for you, who call us to the same mission. Inspire many young and vibrant people all over the world that they may grow closer to you. Enable them to discover their 'call within call' like Mother Josepha and there by live the gospel values. Help them to become the signs of your never- ending love. Give them a loving heart ready to embrace all peoples of our world. Amen.

Lord Jesus, you have shown your love through Mother Josepha our co - foundress, who found holiness in doing ordinary things. She was a great missionary in spreading your message of love quietly, with her humble and cheerful heart, as she would say, "Cheerfulness is the Holiness". She always desired to remain in His constant love. Her ardent love for God was shown in her dealings with sisters. Her simple disposition and childlike heart always attracted sisters to her.

Lord, through the intercession of Blessed Josepha, grant us the virtues of cheerfulness, obedience and simplicity of heart so that we may desire nothing more than the grace of God to be least, to offer ourselves as sacrifice for the work of spreading of the faith. Amen.

O blessed mother Josepha, person of prayer, trust, humility and obedience, each day you humbled yourself to bring joy and cheerfulness in the hearts of your sister and people with whom you cherished life. You sought every moment to enter into prayer and be in communion with God.

For prayer is the center of our human lives, which imparts grace to become humble and sacrificing. Bless us that by your grace we may always walk in the presence of God, give our service of love selflessly and make our hearts ready to become a true servant of Lord. May your words, " I desire nothing more that to serve and to proclaim the Good News." be our inspiration to live our missionary call with tenacity and commitment.

“Live from hour to hour, from day to day, and leave the future to the Lord.”

Lord Jesus Christ we thank you for blessing us with our co founderess Blessed Josepha. You blessed mother Josepha with outstanding quality of humility and gentleness to reach out to everyone in the community. Following the example of Mother Josepha Lord, helps us to live in your presence at every moment. As we pray through the intercession blessed Josepha we ask you to bless us with child like heart to trust you and your plans for us, even when we fail to notice any visible sign of you. Amen

Lord Jesus Christ, our savior you manifested your love to us through Bl. Josepha. She was a true missionary who spent her whole life in spreading the message of your love through her dedicated service. Through her intercession, we ask your blessings and grace upon the entire people, that we may recognize the love of God and spread it to the whole World. Often she said, “My heart is ready, O Lord, my heart is ready.” Likewise may we grow in willingness to comfort the uncomforted and reaching out to the needy at any moment. May the love of God be with us, direct our thoughts with the same love. Amen.

Prayer is therefore a way of training the will to desire the good, as well as of turning our wills towards the highest concentration of all good, namely God.
