

Prayer to Jesus Christ

1

Lord Jesus, the prince of peace and mighty king of the universe, all praise, honour, thanksgiving and adoration to you. We thank you for coming amidst us and dwelling in the tabernacle of our hearts. How precious is the moment when we feel you in the very core of our being, Jesus we enthrone you and proclaim you as our king and the Lord of our life. Jesus, our life is incomplete without you because we find the fullness of life only in you. It was you from whom we are born. It is you in whom we live and it is you, to whom we shall return. Lord, we beg you with our open heart, mind and soul to remain with us. Never leave us orphan and help us Lord to find our shelter only in you today and for all eternity. Amen.

Jesus my life and light giver
Jesus my good Shepherd
Jesus my protector
Jesus my refuge and shield
Jesus my consoler
Jesus my comforter

I thank you
I keep confidence in you
I praise you
I sing your glory
I keep trust in you
I worship you.

Jesus you are so great and wonderful like you no God is found, so loving, caring, forgiving and merciful. Lord my master, you who take away my darkness and show light in my life, you who know my ups and downs, what I think and feel, you come into my life in different ways, through different events and people to give me hope and courage to stand firm in my life. Lord, I do not know how to thank you enough, yet I say with my poor heart 'thank you Lord'. You come to this world to fulfill the will of God and to give us life. Lord teach me to seek your will always and help me to see good in each living being. Lord be at my side when I meet with failure and disappointment, pain, fear and desire to escape from hardship. May you be my guide and support, the meaning and salvation of my life.

“In your infinite love, you have given to me the gift of faith in Jesus.”

I thank you Jesus for coming into my heart every day in the form of bread and wine and nourishing my body, mind and soul. With this you give me a message that God is love and those who abide in love abide in God, and God abides in them. Jesus, as the deer longs for flowing water, my soul thirsts for you, longs for your love. You are the light of the world, enlighten my mind and heart so that I may be like a candle burns itself and give light to others. O Jesus, redeemer of the world nothing is impossible with you by my side. By the merits of your everlasting love, grant me the grace to love you always. O Jesus meek and humble of heart make my heart like yours.

Jesus lover of us all,

You open us to new life, new hope, and new possibilities.

You conquer the way, we do close up, close down and close in.

Jesus, open our hearts to feel your compassion for people we would rather walk by;

Open our ears to hear the cries of the suffering, deep inside where we cannot fail to be moved;

Open our understanding to new ways of living that do not diminish anyone;

Open our eyes to see a vision of this world as you would have it;

May these prayerful words on our lips become the meditation of our hearts as we live in ways that are acceptable to you, O God, our Rock and our Redeemer. Amen.

Jesus you are the only son of the Father and the way in my life journey. You are meek and humble in heart. You willingly sacrificed yourself on the cross to save the world and whole humanity from sin and death. Beloved Jesus, show me your light in my path so that where ever I go and whomever I meet I may be able to see the light in them. Let my hand and feet work for your glory. May every one of my thought and action be guided by you. May each day of mine begin in your name. Jesus be in my thoughts, Jesus be in my words, Jesus be in my actions. Amen.
