

Prayer for Lawyers

God of Justice, Ultimate truth, the Supreme Law and Judge of heaven and earth; We place before you all our lawyers and seek your grace upon them. Let your Spirit of wisdom encompass them as they practice the legal profession. May you engrave the law of Love, Justice and Truth in their hearts.

May the Spirit of wisdom and knowledge counsel them in finding the truth and justice in the way you have taught. May their being and doing always resonate your will and never let them conciliate justice and truth with worldly pleasure.

May they always be loyal to their clients, considerate to their adversaries, diligent in carrying out their duties, truthful to their conscience, and your trustworthy servants.

We continue to implore you to make them fitting instruments in helping to build your kingdom in the way of love, truth and justice.
